—Richard III – Developer Interview “Medieval Dynasty is a lovely little survival/crafting game with some great features and an innovative idea.” —Matthew Belmonte – App Designer “Medieval Dynasty gives you the tools to build and manage a feudal kingdom in a new and interesting way.” —Roderick Edwards – Developer Interview “Medieval Dynasty is the most beautiful and engaging strategy game I’ve played in years.” —Seth Hume – Developer Interview “Medieval Dynasty has it all!” —Wolfgang Steller – Developer Interview “Medieval Dynasty is a great game with a unique take on one of the most famous periods of human history.” —Andreas Gedeon – Developer Interview “The old world comes to life in Medieval Dynasty.” —Vincent Velasco – Developer Interview ABOUT MEDIEVAL DYNASTY Grow your tiny village into a fully functioning feudal kingdom and become the first king of the province. You start the game in the old times, with a village just beginning to grow, and it is up to you to become the first king of the province and build your castle. A village filled with clans of NPCs all eager to help you build your kingdom. The actions and decisions you make as the first king of your province will affect your people’s lives and the future of your dynasty. You will not only have to build the infrastructure to help your people and be a good ruler, but also keep your people happy, and solve all the problems that arise from their needs and from the rest of the kingdom. “Medieval Dynasty is a creative and beautiful game that feels much more like a real medieval kingdom” —Kurt Rupprecht – Developer Interview PLUS MUCH MORE We’ve included a lot of extra content and items that we think would enhance your experience. For example, our latest update included an expansion of the tutorial that we thought might be helpful to new players. We have also added many more educational articles that can help you learn the ropes. In addition to all that, we’ve updated the game’s soundtrack with a bunch of new music. And our best news is that we’ve added more amazing villagers for you to adopt 82157476af
